2022-2 Community Crossings Matching Grant Project Award of Bid – Highway Department. Larry Robbins said bids were opened for the 2022-2 Community Crossings Projects the County was awarded last year. Only one bid received, that being from Milestone Contractors South. The project is for Battlerow, Greencastle and Baldwin roads. Battlerow came in at \$1,053,945, Greencastle at \$538,682 and Baldwin at \$278,040. Greencastle and Baldwin were both below the engineer's estimate. Battlerow was a little bit higher due to the structure work being done on that road. All are within what is needed moving forward and Mr. Robbins requested that the Commissioners accept the bid. Mike Morris made a motion to award the contract to Milestone Contractors South, LLC. Mark Clindenbeard seconded the motion. Upon a voice vote of 2-0, the motion unanimously passed. There was a brief discussion about the award of the grants project and Mr. Robbins said that they had also applied again this spring for calendar year 2023.
